

Petro Mold Company Dealer Plan

Petro Mold Co. – 12775 Donation Road, Waterford, PA 16441 –
www.petromolds.com Phone/Fax: 814-796-6635

As a Petro Mold Company Dealer, you will receive **50%** off of the suggested retail price of each mold you order. Molds can be shipped, picked up at our business location or delivered directly to you for a small delivery fee (if within a 50 mile radius). We use UPS Ground to ship small mold orders and LTL common carriers for larger ones.

A minimum yearly purchase amount of \$600 retail (\$300 wholesale) must be met to retain the 50% mold discount from year to year.

As long as you remain a Dealer in good standing and have met your annual commitment, all molds you purchase from Petro Mold Company will qualify for the 50% discount.

YES! Sign me up for the Dealer Plan with Petro Molds to save 50% off on every mold I purchase at the retail price. **I understand that I must satisfy a \$500 buy-in to obtain my dealership first.** After my initial buy-in purchase, each of my future mold purchases will be subject to a 50% discount off of the posted retail price. PA businesses must have a valid PA Exemption Certificate on file to be tax exempt from 6% PA state sales tax.

By signing below, I agree to purchase a minimum of \$600.00 retail (\$300 wholesale) in molds within one calendar year, plus freight charges when applicable.

If I default under this agreement, my Dealer status with Petro Mold Company will terminate. To reactivate, I will need to restart the program from the beginning according to the terms in effect at that time.
